

# HOLDER WRIGHT PARK

UPDATED PLAN PRESENTATION

AUGUST, 25 2016

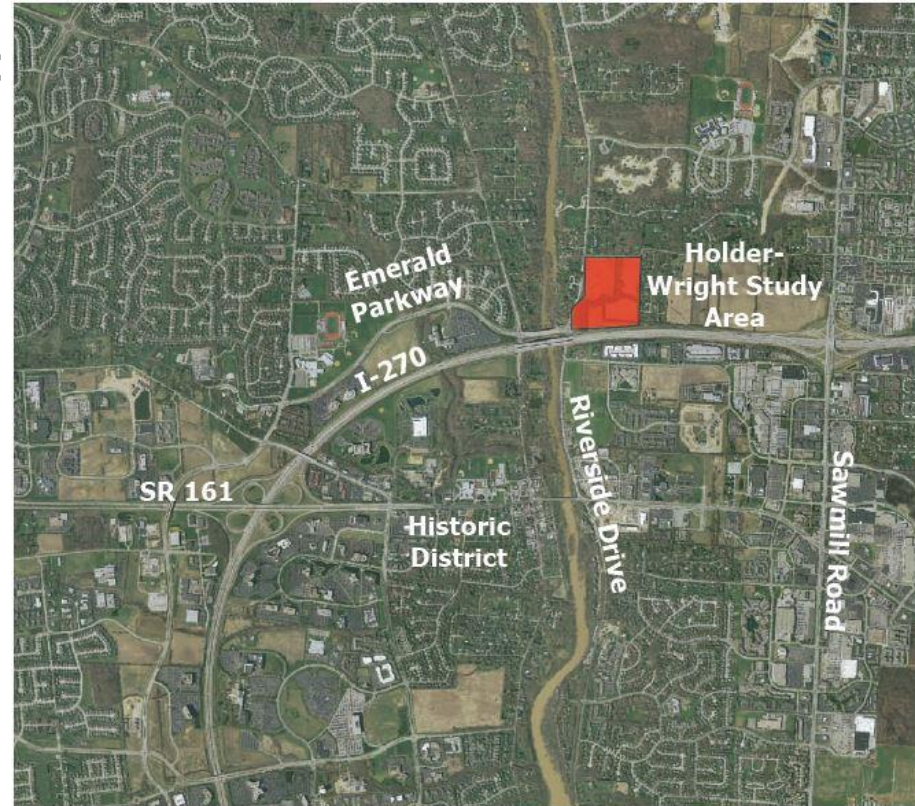

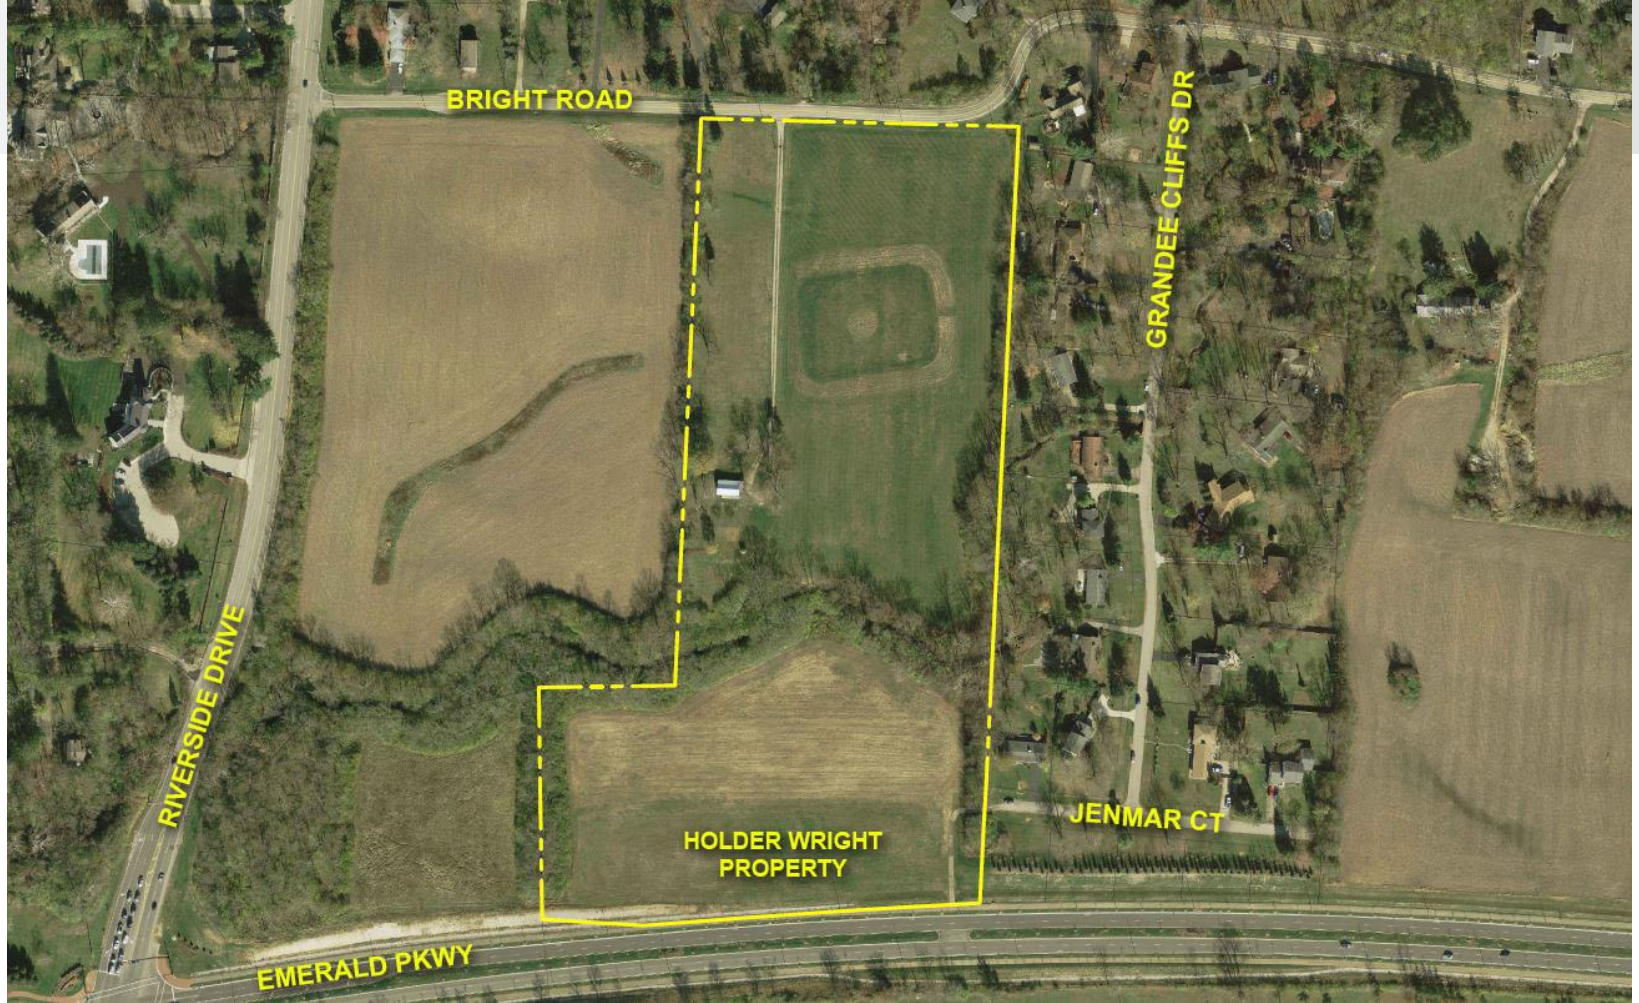

# **HOLDER WRIGHT PARK - INTRODUCTION**

## VICINITY MAP

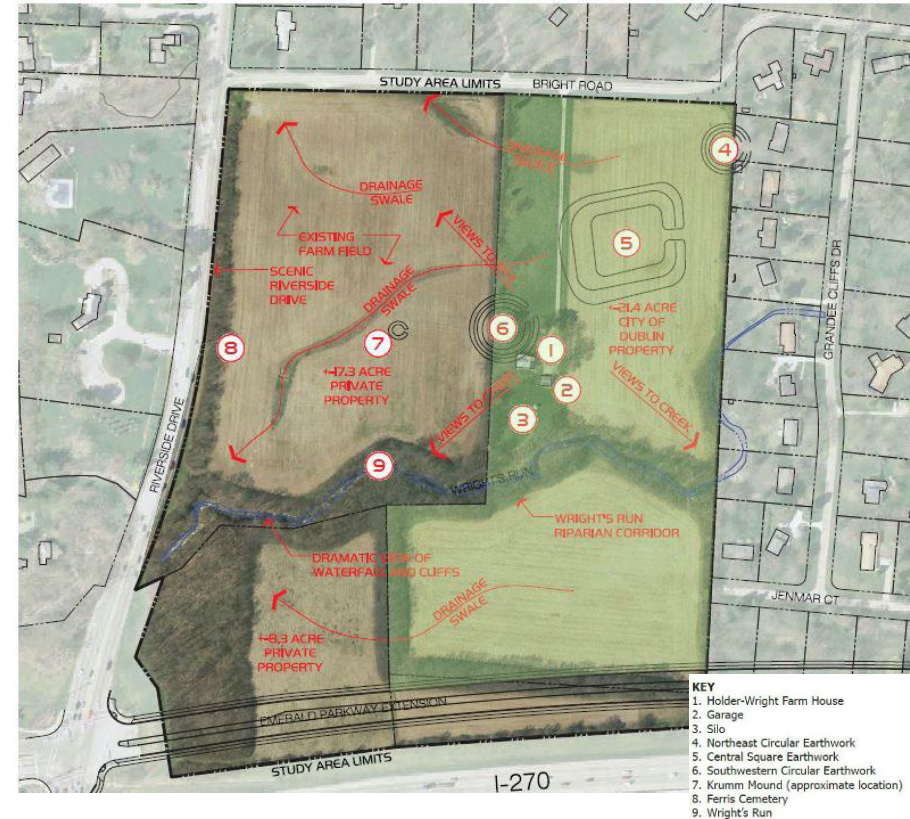

- One mile northeast of the historic district center.
- Scioto River is just to the west.
- Scenic Wright's Run Creek runs through the site.
- Site will be accessible from the Emerald Parkway side of the property.

# MASTER PLAN STUDY AREA

- Historic earthworks site encompass three properties totaling 47.1 acres.
- 21.4 acres owned by City of Dublin is on the eastern side of study area.
- Remaining 25.6 acres are privately owned.
- Preservation of the historic earthworks and farm house, while providing an educational and passive recreational space was identified as a priority for the site.

# EARTHWORKS AND NATURAL SURROUNDINGS

- Earthworks were farmed over the years – making some difficult to see.
- Earthworks will be highlighted with vegetation for visibility.
- Wright's Creek will have selective clearing done to open up views to the scenic channel.

# HISTORIC FARM HOUSE

- Believed to be the first framed house in the area (others being log cabins).
- Restored structure will be used for an interpretive center.
- Archeological artifacts from site displayed.

# ARCHAEOLOGICAL DISCOVERY

- Archaeological excavations were done to preserve any artifacts within construction areas (OSU Field Research Site).
- Jr. Archaeological discovery programs.
- Educational tour programs.

# HOLDER WRIGHT PARK – MASTER PLAN CONCEPT

A man with a beard, wearing a striped shirt and large headphones, is focused on drawing on a large vertical screen. He holds a black pen in his right hand. The background is a dimly lit studio or office with various equipment and papers. The overall image has a dark, moody aesthetic with a semi-transparent dark overlay.
